The interior has been beautifully designed, reflecting the current owner who is an 'international interior designer'

The property is called Sunny Side and is a late Georgian house - which is more than 180 years old - with early Victorian additions.

ADVERTISEMENT

It is set behind secure gates on Langford Place, in the heart of St John's Wood, with off-street parking and a 135ft garden at the rear.

The artwork throughout the property, includes pieces in the hallway and dining room

The property has seven bedrooms including this one with a statue and draped curtains

The dining room seats eight and also has a fireplace, along with a large statute at the floor to ceiling sash window.

Meanwhile, one of the bedrooms also features a statue, as well light draped curtains and designer lighting.

The property is being sold by estate agents Ian Green Residential who declined to reveal the name of the owner, only revealing that they are an 'international interior designer'.

This bedroom has space for two twin bedrooms and has been creatively designed

This bathroom has a roll top bath that sits beneath a sash window with a view of outdoors

Sunny Side has good access to public transport, with St Johns Wood underground station and Paddington Station nearby.

The property is also close to several schools, including the American School and Arnold House prep school.

The average price of a property sold in St John's Wood during the past year is £2,180,470, according to property website Zoopla.

The London property boasts a 135ft garden that includes a lawn area and mature planting

There is a pathway leading to a covered seating area, that is surround by plants and trees
